CARTE POSTALE. POSTKARTE

A SERIOUS COMBINATION. The inveterate gambler frequently has an implicit trust in some system or combination by which he hopes to "break the bank" and make his fortune by a series of coups. There are few instances where the "systems" have proved of any practical utility: the game is purely a matter of chance with slight odds in favour of the owners of the saloon, and from this circumstance the Prince of Monaco derives a handsome income from the tables at Monte Carlo.
